

Math Summer Assignment

Math Readiness summer assignment will be given to reinforce math skills needed in upcoming math courses for the 2022-2023 school year. The assignment will be graded by students incoming math teacher in the 2022-2023 school year. A suggested mastery score of 70-100% should be scored in each assigned lesson to indicate a student's math skills readiness for the 2022-2023 school year. The Summer Readiness assignment is to be completed by **Monday, September 5, 2022 at 11:59pm.**

Assignment will be available via **KHAN Academy**.

- Direct login access is available via the Student Portal, listed under the APPS tab.
- Use the Class Codes provided to enroll in the Summer Readiness Class for the **math course you will be taking during the 2022-2023 school year.**

<u>Class Codes</u>	
MAS-Incoming 6th Grade :	6A4CBMS2
MAS-Incoming 7 th Grade:	75AN48VP
MAS-Incoming 8 th Grade:	W2CR5GRE
MAS-Incoming Algebra 1:	89FCZSHK
MAS-Incoming Geometry:	AZ5K29KD
MAS-Incoming Algebra 2:	CNB8W3DX

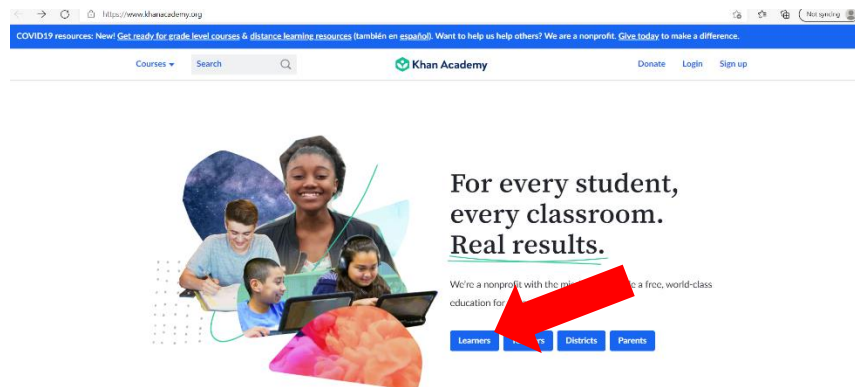

New Users: If you do not have a KHAN Academy account you will have to create an account using your student email. (EX: studentID#@students.dadeschools.net). Please follow the steps provided to create a new account.

***NOTE:** If you have a KHAN Academy account but cannot remember your login credentials, you will need to create a new account.

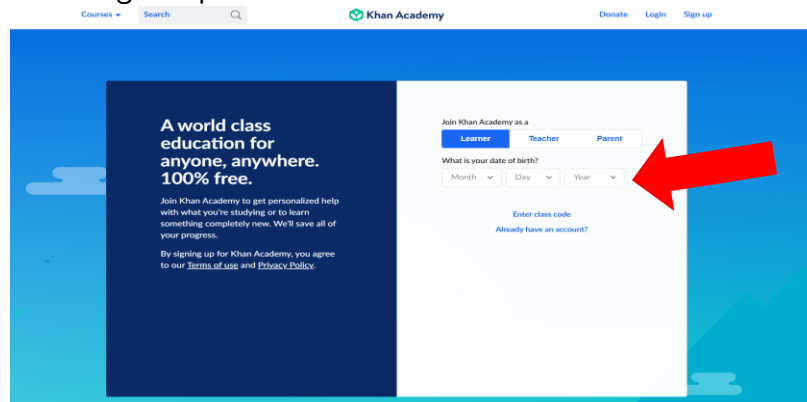

***If you need assistance or have any questions email valvarez51@dadeschools.net**

Steps to Create Account on KHAN Academy:

1. Visit www.khanacademy.org
2. Select 'Learners'

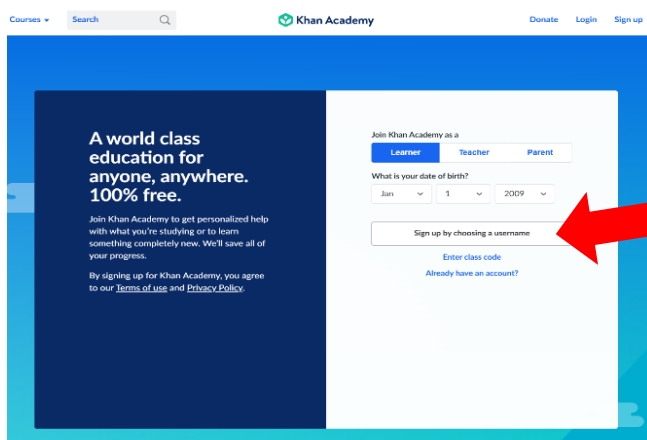

3. Enter date of birth using drop down menu:

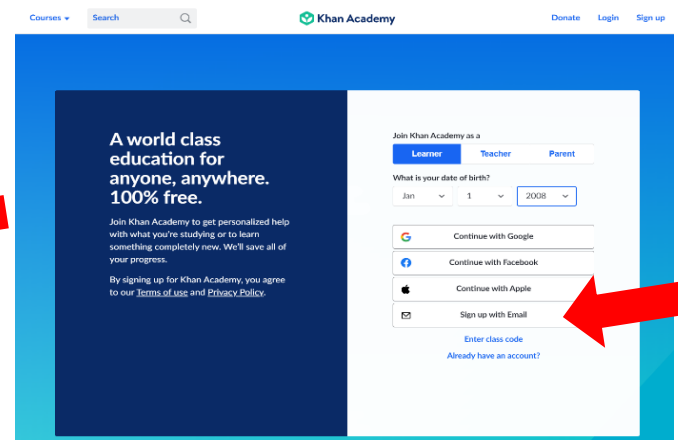

4. Sign up by choosing a username or using an email. Option provided by program will be automatically generated based on student age. *NOTE: Parents will need to approve account within 6 days of registration if account is based on 'Username' option.

Username Option: (born on or after 1/1/10)

Email Option: (born before 1/1/10)

5. Complete the required information and press 'Sign Up'.

Back Step 2 of 2 Choose 1 course to continue

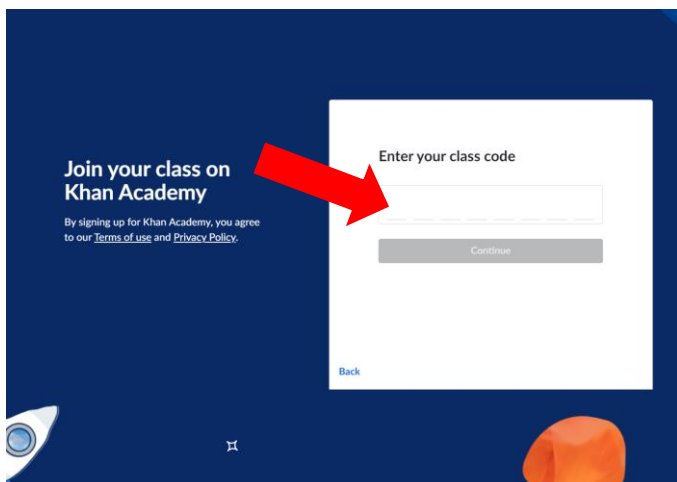

8. On the dashboard screen, select 'Teachers' on the left-hand side of screen.

9. Select 'Enter Class Code' to enroll in the Summer Readiness Class for the math course you will be taking during the 2022-2023 school year.

10. Enter the Class Code for the math course you will be taking during the 2022-2023 school year and press Continue. See list provided below for Class Codes.

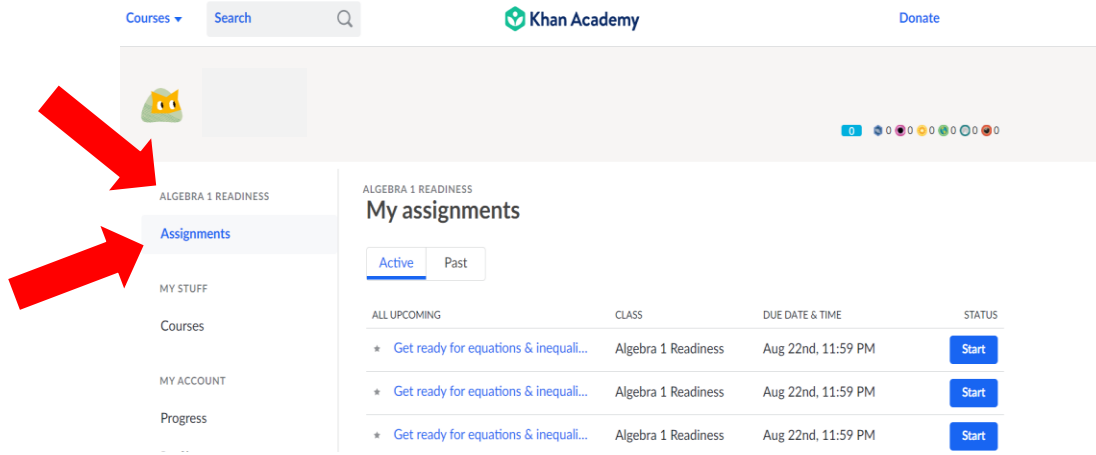

Class Codes

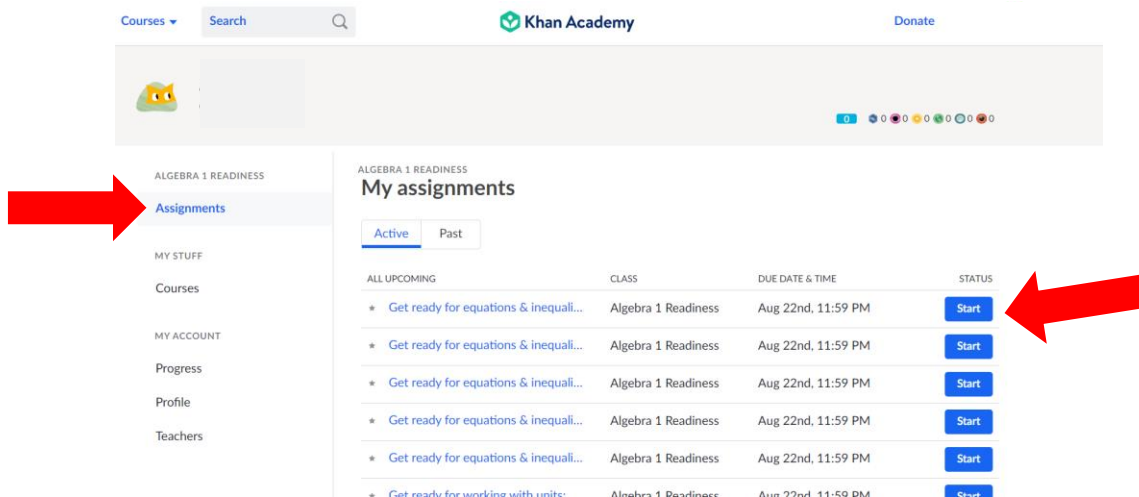

MAS-Incoming 6th Grade:	6A4CBMS2
MAS-Incoming 7 th Grade:	75AN48VP
MAS-Incoming 8 th Grade:	W2CR5GRE
MAS-Incoming Algebra 1:	89FCZSHK
MAS-Incoming Geometry:	AZ5K29KD
MAS-Incoming Algebra 2:	CNB8W3DX

11. Confirm Enrollment in the math course you will be taking during the 2022-2023 school year. The Summer READINESS course title will appear on your dashboard with an 'Assignments' tab. Click the 'Assignments' tab to access the lessons in the Summer Readiness assignments.

*NOTE: Students are only responsible for the active assignments listed on the 'Assignments' tab in the Summer READINESS course.

12. The lessons in the Summer Readiness assignments will be listed under the Active tab. Click "Start" to begin and complete each lesson. Due date and time for all lessons in the Readiness Assignment is Monday, September 5, 2022 at 11:59pm.

*NOTE: All lessons in the Readiness Assignment can be completed several times to achieve a suggested score of mastery between 70-100% to indicate a student's math skills readiness for the 2022-2023 school year. A 'Get Help' option and lesson videos are available for each question, if needed.
